Hot Tub Specification Handbook

Important Safety Instructions - All Models

©2021 Sundance® Spas, Inc. Sundance® Spas may make product modifications and enhancements. Therefore, specifications may change without notice. Dimensions are approximate and for reference only.

CAUTION: <u>Always measure each hot tub for exact</u> <u>dimensions before designing its foundational support and/or decking.</u>

When designing a foundational support, always account for the following load factors:

- 1. Filled hot tub weight, plus (+)
- 2. Combined occupant weight at maximum seating capacity, plus (+)
- 3. Weight of support decking, when applicable.

The technical data given in this publication is for reference purposes only. It implies no warranty of any kind.
